Go ahead, you know you want it
You'll have no other way
You just want to take us down
Go ahead, I'll be the one hit
If I can take you, boy
It just might throw this town

Oh, oh, you want to get it
You make us bleed, it'll prove there's life somewhere
And oh no oh, I want to yell it
But do we speak or are we just nodding our heads?

No way, not me, what you got?
It's not for me, you'll find a way
No way not me, what you got?
It's not for me

Don't reach too far, you will fall over
Don't be surprised what you discover
Don't fear your call, can't pull us under
You better watch out, run for cover

Don't reach too far you will fall over
(We see)
Don't be surprised what you discover
(Right through it)

Don't fear your call, can't pull us under
(You get what you give)
You better watch out, run for cover
(You get what you give)

Go ahead, I'll be your junkie
I'll be deplete you can heap all rubbish here
Go ahead, now dump it on me
If I go quiet will the itch go down with me

Oh, oh, you got to get it
Never mind that it was never there nowhere
But oh no, oh, not for a minute
For now you'll make your bed
And it will wait, I swear

No way, not me, what you got?
It's not for me, you'll find a way
No way not me, what you got?
It's not for me

Don't reach too far, you will fall over
Don't be surprised what you discover
Don't fear your call, can't pull us under
You better watch out, run for cover

Don't reach too far you will fall over
(We see)
Don't be surprised what you discover
(Right through it)

Don't fear your call, can't pull us under
(You get what you give)
You better watch out, run for cover
(You get what you give)

Tell them that they'll get what they wanted, tell them
Tell them that they'll get what they wanted, tell them
Tell them that they'll get what they wanted, tell them
Tell them that they'll get what they wanted, tell them

Don't reach too far you will fall over
Don't be surprised what you discover
Don't fear your call, can't pull us under
You better watch out, run for cover

Don't reach too far you will fall over
(We see)
Don't be surprised what you discover
(Right through it)

Don't fear your call, can't pull us under
(You get what you give)
You better watch out, run for cover
(You get what you give)
