236-6132 is the number of my love  
Even though it's been some time since he made fair to  
answer  
'Cause he feints and fades from view like a fighter  
ducks a glove  
Though i play the highway kind and he the china  
dancer  
If i was afraid to break or bleed  
I would find someone much easier to need  
But when drifters' dreams come true and when push  
comes 'round to shove  
236-6132 is the number of my love

236-6132 is the number i must call  
When casey's at the bat, and sleeping beauty slumbers  
When the frost is on the dew, and my teardrops freeze  
and fall  
Till the world is frozen flat, and the long night snows  
me under  
On the icy nails of no return  
We will strike the match and set the night to burn  
'Cause when beauty wakes anew and when casey  
cracks the ball  
236-6132 is the only number  
I am not looking for no champion of my freedom  
I am anything but anybody's foundling  
Sometimes i feel like i am wandering, an old balloon on  
broken string  
A bubble in a baby's dream, a lost and lonely  
buzzardling  
A vulture beating creaky wings, while angry storms go  
gathering around me

236-6132 is the number of my love  
When the clouds are howlin rain and the sky is black as  
ashes  
'Cause it's sunlight where we flew, though the trail is  
cold above  
And the raven quakes in vain while the lightning barks  
and flashes  
Still the clouds will fade to gray cocoons  
And spring the winken monarchs, nodding never-

blinken moons  
When the crows come home to roost and the eagle  
weds the dove  
236-6132 is the number of my love
