Taking on seven years,  
That holy ghost had left alone  
Test my arms, kick like crazy  
And I've been trying way to long  
Only pushed the way off to fight you  
Now im sorry, im sorry, im not sure  
Getting off my chest  
The story ends  
(I would find a way without)  
Tell him his eyes see too clear  
(I would find a way without you)  
Tell him his eyes see too clear

That mistake was gold  
I know that without you  
(you)  
Is something that I could never do  
That was why staple the eyes and  
Seven dates for me to sell machines  
And tear on

Seven years you assured me  
That I'd be fine if I complied  
Only push the way off to fight you  
Now Im sorry Im sorry im not sure  
Getting off my chest the story ends

That mistake was gold  
I know that without you  
Its something that I could never do  
That was why step in the cold and  
Seven dates for me to sell machines  
And tear on  
Don't treat me Im to blame  
(sorry, I'm sorry, i'm Sorry)  
Don't treat me like I ever accused you(x5)  
(don't treat me like that)
