Do you feel sick when you're eating?
Do you think that I can feel it faster?
Away with the rose I gave
Do you wear it with confidence?
Are you aware that I can feel it faster?
Away with the rose I gave
Are you aware that I'm falling faster?
Are you aware that I'm falling faster?
Just like she said, behind closed doors
(just like she said)

I said it was no good
I'll waste it all when I'll be down with it

Do you feel sick when you're eating?
Do you think that I can feel it faster?
Away with the rose I gave
Do you wear it with confidence?
Are you aware that I can feel it faster?
Away with the rose I gave
Are you aware that I'm falling faster?
Are you aware that I'm falling faster?
Just like she said, behind closed doors
(just like she said)

I said it was no good
I'll waste it all when I'll be down with it
It's been this way for as long as I remember
You'll be safe and sound
I said it was no good
I'll waste it all when I'll be down with it

We don't care what we (???)
Just close your eyes forever and die

I was waiting and I waiting
I'll be fine when I'll be fine again

We don't care what we have (???)
(we gave up everything
we gave up all we own)

We gave up everything
We gave up everything
