You seem so disappointed within,
This act of yours is just a sin.
You know it's so easy to tell you, "abuse it."
Don't tell me you're useless...
They told me you're happy now.

I can't keep holding you up.
I'm overcome by the weight of the mud,
Drying up around you.
You know I'll never forget you.

I can't keep holding you up,
Tell me if you ever stop.

I'll never forget you, oh no.
I'll never forget you.

Say "Goodbye"; It's all you wanted.
Find somebody who cares.
I'll open the window so you walk in.
Say "Goodbye". It's all you wanted.
Let's hope somebody cares.
You'll see that nobody's watching.

Tell me like you wanted to change.
Tell me why you're so nervous to say,
what you're really thinking,
The feeling of sinking is setting in.
You're used to being so much happier.

I can't keep holding you up.
I'm overcome by the weight of the mud,
Drying up around you,
You know I'll never forget you.

I can't keep holding you up,
Tell me if you ever stop.

I'll never forget you, oh no.
I'll never forget you.

Say "Goodbye"; It's all you wanted.

Find somebody who cares.
I'll open the window so you walk in.
Say "Goodbye"; It's all you wanted.
Lets hope somebody cares.
You'll see that nobody's watching.

You can't turn away,
Make up your face and get high,
Make up your face and get high again.
You can't turn away.
Make up your face and get high,
Make up your face and get high again.

'Cause when you sign your deal,
You're as good as dead.

Say "Goodbye"; It's all you wanted.
Find somebody who cares.
I'll open the window so you walk in.
Say "Goodbye"; It's all you wanted.
Lets hope somebody cares.
You'll see that nobody's watching.
