If we've got something going tell me why is he here?
You leave me hanging by a thread when the lion is
near.

I'm not about to drop the ball
You clearly cannot stay

Why can't you see with my hands holding your eyes
open?
It's hard for me to think when your mouth is always
moving.

(He Screams Something)
Keep yourself quiet now.

Just be quiet.

Just be quiet now.

Well you could have been all I wanted and all that I
need.
But you had to leave cause its so easy to fall in love
with machines

I'm not about to drop the ball

You clearly cannot stay

Why can't you see with my hands holding your eyes
open?
It's hard for me to think when your mouth is always
moving.
Shut up sit down but your way out just leave me alone.
You cant make me believe that you have changed at
all.

Go away, no please stay.
Go away, no stay. Stay away.
Go away, no please stay.
Go away, no stay, stay.

Why can't you see with my hands holding your eyes

open
It's hard for me to think when your mouth is always
moving.
Shut up sit down but your way out just leave me alone.
You cant make me believe that you have changed at
all.
