I'm kinda nervous bout blastin off - do doo  
I bet the boys in Houston know what they're doin when  
puttin motha-fuckas in space  
I wasn't meant to be an astronaut - do doo  
I just tryin to impress you ever since that first second  
that I seen your face (face)

And cleaning the shuttle is such a chore - do doo  
And sometimes I don't feel so safe in it - da do da duh  
do  
But we don't launch in the cold no more - do doo  
And we've redesigned the rocket booster joints so we  
don't have another January '86

I'll show you the structures - boom boom/(the structures  
on the moon)  
If you'll ride shotgun in my spaceship  
I'll show you the structures - boom boom/(the structures  
on the moon)  
If you'll ride shotgun in my spaceship

Baby I'm your monomethyl hydrazine - do doo  
And you set my heart on fire, you're my nitrogen  
tetroxide oxidizer (huh yeah, you know)  
I'm feeling like it's T- minus 3... - do doo  
Let's get these boosters ignited and lift off, before I  
get pissed off - da do da duh do

In this first ten minutes burn nothin's wrong - do doo  
I just wanna separate from the external fuel tanks  
(...and that's one big fuckin bomb)/da do da duh do  
Got me all si-ide-ways and upside-down - do doo  
Now that I'm in orbit, you'll think that I'm imporant and  
love my style (- yeah you will check it)

[bridge]

I'll show you the structures - boom boom/(the structures  
on the moon)  
If you'll ride shotgun in my spaceship  
I'll show you the structures - boom boom/(the structures

on the moon)  
If you'll ride shotgun in my spaceship

[instrumental]
