I'm gonna do it darlin':  
I could waste time tryin' the figure it out,  
But I'm jumpin' in anyhow.  
I've never been this far;  
Didn't know love could run so deep:  
Didn't know I'd lose this much sleep.

Holdin' you close, chasin' that moon.  
Spendin' all night,  
Lovin' just who you are:  
Sparks flyin' in the dark.  
Shootin' out lights, runnin' down dreams,  
Figurin' out what love really means:  
Baby, givin' you my heart,  
Is a real fine place to start.

Somethin' is goin' on,  
I can't explain but sure can touch:  
It's callin' both of us.  
Stronger than any fear or doubt,  
It's changin' everything I see:  
It's changin' you, it's changin' me.

Holdin' you close, chasin' that moon.  
Spendin' all night,  
Lovin' just who you are:  
Sparks flyin' in the dark.  
Shootin' down lights, runnin' down dreams,  
Figurin' out what love really means:  
Baby, givin' you my heart,  
Is a real fine place to start.

Right here, right now's the perfect spot, the perfect  
time.  
The perfect moment when your skin is next to mine.

Instrumental break.

Yeah, yeah:  
Holdin' you close, (Holdin' you close.)  
Chasin' that moon. (Chasin' that moon.)

Spendin' all night,  
Lovin' just who you are:  
Sparks flyin' in the dark.  
Shootin' out lights, (Shootin' down lights.)  
Runnin' down dreams, (Runnin' down dreams.)  
Figurin' out just what love really means:  
Baby, givin' you my heart's a real fine place,  
Real fine place to start.  
Oh yeah.  
Oh, oh, oh.
