### "Carolina"

California in the evening  
Rush past the water  
Get me over the great state line  
The skies electrical it's screaming  
Trying to find the morning  
Hell I'd settle for the other side  
Don't bother counting up the days boy  
Numbers gettin' bigger by the minute and I'm so tired  
But I can honestly say boy  
Oh unless you're in it I don't want it so here it comes  
Fire  
Over the horizon keeping my eyes on  
Wire

All the way in Carolina  
I won't go home until I find ya  
Ya fill my bones my mind up so  
I'm coming to Carolina  
Don't ya know I'm right behind ya  
No love of mine  
Is gonna wind  
Up leaving me for Carolina

Don't feel the summer like I used to  
Oh you brought thunder, tugged me under, its all your  
fault  
Want me to let you leave do you?  
Well I never minded aftermath  
And this is what happens to a  
Liar  
Miles on the highway  
Nothing to stop me  
Until I'm done

Coming for you Carolina  
Won't go home till I find ya  
Ya fill my bones my mind up so  
I'm coming to Carolina  
Don't you know I'm right behind ya  
No love of mine

Is gonna wind  
Up leaving me for Carolina

I don't mind the rain it suits me  
Makes the pain pursuit seem  
Less unruly  
It's been a good night  
And one hell of a drive

Coming for you Carolina  
Won't go home till I find ya  
Ya fill my bones my mind up so  
I'm coming to Carolina  
Don't you know I'm right behind ya  
No love of mine  
Is gonna wind  
Up leaving me for Carolina  
Leaving me for Carolina  
Leaving me for Carolina
