I never meant to be the one to let you down
If anything, I thought I saw myself going first
Didn't know how to stick around
How to see anybody but me be getting hurt

I keep remembering the same night
And the conversation breaking up the moon
I didn't wanna tell you, you were right
Like the seasons changing, oh, I felt it too

Does anybody know
How to hold my heart
How to hold my heart
Cause I don't wanna let go, let go, let go
Too soon

I wanna tell you so
Before the sun goes dark
How to hold my heart
Cause I don't wanna let go, let go, let go
Of you

I'm the kind to try to tell you lies
But the truth is, you've been hiding from me too
Sitting and sneaking in behind your eyes
Same thing yours could ever do

Does anybody know
How to hold my heart
How to hold my heart
Cause I don't wanna let go, let go, let go

Too soon

I wanna tell you so
Before the sun goes dark
How to hold my heart
Cause I don't wanna let go, let go, let go
Of you

Is anybody listening?
Cause I'm crying

Is anybody listening?

Does anybody know
How to hold my heart
How to hold my heart
Cause I don't wanna let go, let go, let go
Too soon

I wanna tell you so
Before the sun goes dark
How to hold my heart
Cause I don't wanna let go, let go, let go
Of you

Does anybody know
How to hold my heart
How to hold my heart
Cause I don't wanna let go, let go, let go
Too soon

I wanna tell you so
Before the sun goes dark
How to hold my heart
Cause I don't wanna let go, let go, let go

Don't wanna let go, let go of you
Don't wanna let go
