Love

I get so lost, sometimes
Days pass and this emptiness fills my heart
When I want to run away I drive off in my car
But, whichever way I go I come back to the place you
are

But, all my instincts - they return
The grand facade so soon will burn
Without a noise - without my pride
I reach out from the inside

Love love love love love
I get so lost, sometimes
Days pass they pass and this emptiness fills my heart
When I want to run away I drive off in my car
But, whichever way I go I come back to the place you
are

But, all my instincts - they return
The grand facade so soon will burn
Without a noise - without my pride
I reach out from the inside

In your eyes - the light, the heat
I am complete in your eyes
See the doorways of a thousand churches in your eyes
The resolution of all the fruitless searching
In Your Eyes

Love love love love love
I don't like to see so much pain
So much wasted, and this moment keeps slipping away
I get so tired working so hard for our survival
I look to the time with you to keep me awake and alive

But, all my instincts - they return
The grand facade so soon will burn
Without a noise - without my pride
I reach out from the inside

In your eyes - the light, the heat

I am complete in your eyes
See the doorways of a thousand churches
I will not be that complete
In your eyes
In your eyes
In your eyes

In your eyes

Love
I get so lost, sometimes
