(Randy Scruggs/Sara Evans)

Baby, hold my hand
Show me you're my man
Take me to that land
Where we can get crazy
Cause this old world gets tough
When I've had enough
I need to know your love
Will be here to save me, save me

Let's dance while the lights are shining bright
Let's dance while the music's feeling right
Romance till the night is through
You'll be holding me
Yeah, and I'll be holding you
Let's dance

Wanna feel your touch
You know I love you so much
Maybe with a little love
Our world will turn slower
Cause we've been moving so fast
Seems life is flying past
Can we make this moment
I wanna remember, remember

Let's dance while the lights are shining bright
Let's dance while the music's feeling right
Romance till the night is through
You'll be holding me
Yeah, and I'll be holding you
Let's dance
Oh, let's dance

Oh, baby just say yes
I've got this brand new dress
This night could change our lives forever
Yeah, let's dance
Oh, romance till the night is through
You'll be holding me now

Yeah, and I'll be holding you
Let's dance
Yeah, let's dance
Baby, baby, baby let's dance
Oh, hold me, love me, show me baby
Baby, let's dance
