Head under water  
And they tell me to breathe easy for a while  
The breathing gets harder  
Even I know that  
Made room for me it's too soon to see  
If I'm happy in your hands  
I'm unusually hard to hold on to  
Blank stairs at blank pages  
No easy way to say this  
You mean well but you make this hard on me

I'm not gonna write you a love song  
'Cause you asked for it  
'Cause you need one you see  
I'm not gonna write you a love song  
'Cause you tell me it  
Make a break in this  
If you're on your way  
I'm not gonna write you to stay  
And all you have is leavin'  
And I need a better reason to write you a love song  
today

I learned the hard way  
That they all say  
Things you want to hear  
My heavy heart  
Sinks deep down under you and your  
Twisted words your help just hurts  
You are not what I thought you were  
Hello  
To high and dry  
And then sleep  
To please you  
They may think that I need this too  
I'm tryin' to let you hear me as I am

I'm not gonna write you a love song  
'Cause you asked for it  
'Cause you need one you see  
I'm not gonna write you a love song  
'Cause you tell me it

Make a break in this  
If you're on your way  
I'm not gonna write you to stay  
And all you have is leavin'  
And I need a better reason to write you a love song  
today

Promise me  
You'll leave the light on  
to help me see  
Daylight my life on  
I believe there's a way  
You can love me because I'll say

I'm not gonna write you a love song  
'Cause you asked for it  
'Cause you need one you see  
I'm not gonna write you a love song  
'cause you tell me it  
Make a break in this  
Is that why you wanted a love song?!  
'Cause you asked for it  
'Cause you need one you see  
I'm not gonna write you a love song  
'Cause you tell me it  
Make a break in this  
If you're on your way  
I'm not gonna write you to stay  
If your heart is no where in it  
I don't want it for a minute  
Babe I'll walk the 7 seas  
When I believe that's there's a reason to write you a  
love song today  
Todayyyyyyyyyyyyyyyyyyy yeah!

Ohhhhhhhhh!
