Bound for the blessing
You were there see it coming
I keep you guessing
Watch while you come undone

You were an island
No one would dare to tread upon
I came in like the wisemen
Ask you to take my gift of love

Hold me responsible
It's all my fault I want you to hold me anyway you can
Hold me accountable
It's all my fault I want you to hold me anyway you can

Carefull confessions
Can't scare you with my crime
I learn my lesson
Love you a little at a time

Loosing my patience
Getting acquainted with the edge
Ready and waiting
Happy to stand convicted

Hold me responsible
It's all my fault I want you to hold me anyway you can
Hold me acountalbe
It's all my fault I want you to hold me anyway you can

I can't change you
If you won't change yourself
See yourself slowly becomeing someone ealse
I can't blame you for the strangth you lack
Scared to give me what you may not get back

Hold me responsible
It's all my fault I want you to hold me anyway you can
Hold me responsible
It's all my fault I want you to hold me anyway you can
Hold me acountalbe

It's all my fault I want you to hold me anyway you can
Anyway you can
