Ayyy
Ehhh

Saturday
Empty room
Filled with people
Don't mean a thing
You and I
Holding hands
Nobody knows
Nobody understands

I don't care for sunlight
It only means it's over
I'm in no mood for that

Stay tonight
Don't come morning
Don't come light
They may be lies
Say say that we'll be alright
Baby we stay tonight

My hands are shaking
This is a complicated love for me
Keep your eyes closed
You've seen it baby
You've seen where this goes

Stay tonight
Don't come morning
Don't come light
They may be lies
Say that we'll be alright
If we stay tonight

Gonna feel it baby
Ohhh
I don't wanna cry
I know we'll get to tomorrow
And say goodbye
That's why I ask you for tonight

Stay tonight
Don't come morning
Don't come light
They may be lies
But say that we'll be alright
(Say that we'll be alright)
Say that we're gonna be alright
Tonight
