Lyin here with you
Listenin to the rain
Smilin just to see
A smile upon your face

These are the moments
I thank God that I'm alive
These are the moments
I'll remembered all my life
I've found all I've waited for
And I could not ask for more

Lookin in your eyes
Seein all I need
Eeverything you are
Is everything in me

These are the moments
I know heaven must exist
These are the moments
I know all I need this
I've found all I've waited for
And I could not ask for more

I could not ask for more then this time together
I could not ask for more then this time with you
Every prayer has been answered
Every dream has come true
Yeah, right here in this moment
Is right where I'm meant to be
Here with you, here with me

These are the moments
I thank God that I'm alive
These are the moments
I'll remembered all my life
I've found all I've waited for
And I could not ask for more

I could not ask for more then this time together
I could not ask for more then this time with you

Every prayer has been answered
Every dream has come true
Yeah, right here in this moment
Is right where I'm meant to be
Here with you, here with me

No, I could not ask for more then this love you gave me
Casue it's all I've waited for
And I could not ask for more
Nooo, yeah
No, I could not ask for more
Ahahaha, yeah
