No words
My tears won't make any room for more
And it don't hurt
Like anything I've ever felt before, this is
No broken heart
No familiar scars
This territory goes uncharted

Just me
In a room sunk down in a house in a town, and I
Don't breathe
No I never meant to let it get away from me, now
Too much to hold, everybody has to
Get their hands on gold
And I want uncharted

Stuck under this ceiling I made
I can't help but feeling

I'm going down
Follow if you want
I won't just hang around
Like you'll show me where to go

I'm already out
Of foolproof ideas
So don't ask me how
To get started
It's all uncharted

Each day
Counting up the minutes, till I get alone
Cause I can't stay
In the middle of it all, it's nobody's fault, but I'm
So alone, never knew how much I didn't know
Oh, everything is uncharted

I know I'm getting nowhere
When I only sit and stare like

I'm going down

Follow if you want
I won't just hang around
Like you'll show me where to go

I'm already out
Of foolproof ideas
So don't ask me how
To get started
It's all uncharted

Jump start my kaleidoscope heart
Love to watch the colors fade
They may not make sense
But they sure as hell made me

I won't go as a passenger, no
Waiting for the road to be laid
Though I may be going down
I'm taking flame over burning out

Compare
where you are to where you want to be, and you'll get
Nowhere

I'm going down
Follow if you want
I won't just hang around
Like you'll show me where to go

I'm already out
Of foolproof ideas
So don't ask me how
To start it

I'm going down
Follow if you want
I won't just hang around
Like you'll show me where to go

I'm already out
Of foolproof ideas
So don't ask me how
To get started
It's all uncharted
