Home to me is by your side  
Take the wheel, Iâ€™m along for the ride  
I tried to be brave, but I guess I lied  
When I said I was fine without you

I donâ€™t need to make future plans  
As long as you just hold my hand  
I want you to know I understand,  
Iâ€™m patient,  
I donâ€™t doubt you

Iâ€™ll go anywhere anytime  
Iâ€™ll go anywhere anytime  
Iâ€™ll go anywhere anytime  
With you, with you

When youâ€™re up in the sky above the sea and the  
clouds  
Think of how I called your name out loud  
Think of how if you werenâ€™t so proud  
You could be my lover

And then when your plane touches solid ground  
And the taxi whisks you on into town  
In the glittering lights Iâ€™ll be all around  
Cuz we belong with each other

Oh, Iâ€™ll go anywhere anytime  
Iâ€™ll go anywhere anytime  
Iâ€™ll go anywhere anytime  
With you, with you

If youâ€™re up for an adventure letâ€™s go  
Take a warm coat for the snow  
Iâ€™ll bring the snacks, you take the wheel  
I canâ€™t explain, but every time it rains  
This is how I feel...

Oh, Iâ€™ll go anywhere anytime  
Iâ€™ll go anywhere anytime  
Iâ€™ll go anywhere anytime  
With you, with you

Oh, Iâ€™ll go anywhere anytime  
Iâ€™ll go anywhere anytime  
Iâ€™ll go anywhere anytime  
With you, with you
