Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!

Wipe that grin off of your face, give me your real
embrace, or get outta my
place
Don't try so hard to hold all of the cards
I'd rather curl up with some wine in a cup, cuz

No one will ever make you want to scream out loud
when
I do that thing You know the figure eights, you just
can't wait,
I got you hooked like a fish on a bait, so

Swivel my hips and turn me over
Lick your lips, I'll be right over
Turn me round and meet my eyes
I wanna stretch you half-asleep, tell you secrets you
can't keep, I
want to sing

Oh! Kiss Kiss
Oh! Kiss kiss kiss
Oh! Kiss Kiss
Oh! Kiss kiss kiss kiss
Oh! Kiss Kiss
Oh! Kiss kiss kiss Oh! Kiss Kiss
Oh! Kiss kiss kiss kiss

Come slip and slide and seek and hide, your love is
deep inside
And you're big and you're strong, and you're
singing my song,
Whatever we do there ain't anything wrong, so

Got my knees to my chest, there's no need to impress
me, I'll do the rest
You'll be able to tell when you're ringing my bell, yes
you'll hear it
perfectly well, so

Swivel my hips and turn me over
Lick my lips, I'll come all over
Turn me round and meet my eyes
I wanna stretch you half-asleep, tell you secrets you
can't keep,
sing with me

Oh! Kiss Kiss
Oh! Kiss kiss kiss Oh! Kiss Kiss
Oh! Kiss kiss kiss kiss
Oh! Kiss Kiss
Oh! Kiss kiss kiss Oh! Kiss Kiss
Oh! Kiss kiss kiss kiss

(repeat)
