I don't need you every day
And some nights another body's in the way
You're not the only one who really needs your space
But when you wrap your legs around mine
And press your belly up against my spine
There's one day a week I'd love to kiss your face

Be my Sunday boyfriend
I'm not asking you for much
Just to lie in bed as the sun goes down
With a movie and your touch
Be my Sunday boyfriend, oohhh

Monday morning when you leave with the dawn
I'll get up and put the kettle on
I'll walk the dogs, a peaceful smile on my face
You don't have to call me all week
Cuz I'll save up my stories for when we speak
Oh, I am patient, I can wait

For my Sunday boyfriend
I'm not asking you for much
Just to lie in bed as the sun goes down
With a movie and your touch
Be my Sunday boyfriend, my Sunday boyfriend,
oohhh

If you won't give me your all, then I'll take half
'Cause you really turn me on and you make me laugh
And I'm incredibly picky, I only like you
So you better come through

And be my Sunday boyfriend
I'm not asking you for much
Just to lie in bed as the sun goes down
With a movie and your touch
Won't you be my Sunday boyfriend, my Sunday
boyfriend, be my Sunday
boyfriend
Oohhh
