[DJ:] Exclusive, this is that new 2pac!

[People in the club cheer]

[Beat starts]

[Verse 1:]

Listen close, as life turns its pages  
Makaveli here, kickin' rhymes for the ages  
Seen things on stages, wise words spoken by sages  
From SkyTel to BlackBerry pages  
Your crew don't phase us, we'll make you bustas pay us  
Run up in your spot like CJ from San Andreas

[Chorus:]

I wrote this song a long time ago  
A real long time ago  
Feel me!!!  
I wrote this song a long time ago  
It was the dopest song I ever wrote... in '94!!

[Verse 2:]

What can a nigga do, when half the people voted for  
George W.  
It's a bitch, Fuck George W. - can't be true -  
I wanna choke him, because he's a snitch  
I'm talking about George W. Smith  
From city council, he ran in '93  
Out in Oakland... you probably didn't hear about him

[Chorus:]

I wrote this song a long time ago  
A real long time ago  
Way before Slim Shady was in demand  
Way before we dropped baloney on Afghanistan  
I wrote this song in '94

[Verse 3:]

How am I doin' this?!?  
Look around the club, see everyone in the place  
Showing 'Pac love got a smile on my face

The girl in the miniskirt has bad taste  
Because her shirt don't match  
And there's a puddin' stain on the back  
What the fuck is that?  
It might be DOO-DOOO!

And you in the back, you ain't shit  
You bought a gin and tonic but you didn't even tip  
And if you hit the table one more time then the record  
might skip-might skip...  
I told you, stop hittin' the table.

Tupac Shakur,  
I wrote this rhyme in 1994  
I'm not alive!!!  
Thug life!!!  
...Dave Chappelle, that ain't your wife  
A married man, you've got two kids  
...Go home!!!

I wrote this song a long time ago  
A real long time ago  
Way before Beanie Sigel had to do a bid  
Way before Dave Chappelle had two kids  
No friends, and no future.

[DJ:] 2pac, Rest In Peace...

Okay, I will!!!
