[INTRO]

Yeah..

Its the premium

40oz of malt liquor make me wanna tell ya somethin

[SONG START]

I say, rollin' around,

Sittin' on dubs

Can not lie, was high on shrubs,

Coolin' in my Escalade,

Man I'm paid, I got it made,

Take me to your special place,

Close your eyes show me your face,

I'm gonna piss on it.

(Chorus)

Haters wanna hate,

Lovers wanna love,

I don't even want,

None of the above,

I want to piss on you.

Yes I do, I'll piss on you,

I'll pee on you.

It's your body, your body,

Is a portapotty,

When I pee I kick,

I'm gonna do karate on your body,

I'm want to pee on you,

Drip, drip, drip,

Yes I do I pee on you,

I ssss on you, ssss on you,

You'll never feel quite the same,

When you get a whiff of my Hershey stains,

I wanna poop on you too,

I want to pee in your food,

Only thing that makes my life complete,

Is when I turn your face into a toilet seat,

I want to pee on you,

Yes I do, Yes I do I'll pee on you,  
I'll piss on you

(Chorus)

Haters wanna hate,  
Lovers wanna love,  
I don't even want,  
None of the above,  
I want to piss on you, yes I do I piss on you,  
I'll pee on you

Won't you braid my hair,  
I said won't you braid my hair  
I'm gonna be a star, Im gonna go far,  
I wanna fart on you
