Would U love me when I??Â™ m down?
When my lips R in a frown?
When I need some space 2 breath?
Would U let me bleed?

Would U hold me when I??Â™ m drunk?
When I??Â™ m all passed out and skunked?
When I act just like a bitch?
Would U be pissed?

I will bleed 4 U

Would U hold me when I??Â™ m grey?
When all U want is to get laid?
When my monthly friend is late?
Would U wait?

I will bleed 4 U

I used to be afraid 2 trust
I got so tight I thought I??Â™ d bust
And when my hope ran dry
There U were 2 hold me up again

Would U tell me how U feel?
When my skin begins 2 peel?
When my brain is dead and gone?
Just like this song.

I will bleed 4 U
