Everytime she sings, she gets richer
A halo and 2 wings, they??Â™ ll pull her down
An angel with a sting, inside her veins
It??Â™ s the price of fame

In Africa kids die, ???cause no one??Â™ s listening
In the video she cries, her tits R glistening
An audience of sheep, they??Â™ re mesmerized
Until they??Â™ re blind

Britney, UR still a virgin

A mansion in LA, where she can hide
Oblivious 2 pain, she swims inside
A girl who was abused, becomes a whore
She could??Â™ ve been more

Britney, UR still a virgin

Another baby with HIV
She just sleeps in her limousine
???Cause she??Â™ s Britney

UR still a virgin

Britney, UR still a virgin
