My friend Elaine, she ain't the smartest (she ain't)

She's a tall blonde amazon, bumping into walls  
She went out on a date, she had 2 pee half past 8  
20 minutes after 12, she couldn't find the john

Dumb bitch at the store, we lost her at the door  
Every guy wants 2 know, hey baby what's UR  
number?

Dumb bitch on the floor, can't find her anymore  
Every guy wants 2 know, hey baby what's UR  
name?

All I want " I want from U

All I need " I need from U

All I want is someone who doesn't call me dumb  
bitch

All I need is someone 2 show me where's the light  
switch

Her boyfriend's the same, he don't got much  
of a brain

When he tried to mow the lawn, he lost his little pinkie  
He went 2 the doc, to get his finger stitched up  
When he reached into his pocket, all he got were  
worms

Dumb bitch at the store, we lost her at the door  
Every guy wants 2 know, hey baby what's UR  
number?

Dumb bitch on the floor, can't find her anymore  
Every guy wants 2 know, hey baby what's UR  
name?

All I want " I want from U

All I need " I need from U

All I want is someone who doesn't call me dumb  
bitch

All I need is someone 2 show me where's the light  
switch

Dumb-dee dumb-dee dumb-dee-dumb-dee-dumb-dee-  
dumb

## Chorus
