Here we go...

My love life??Â™ s just like a broken train
U never know when it??Â™ s gonna go
Expatriates keep drinking novacaine
Yeah even if the sun shines
I feel sometimes like walking out right in front of a bus
Would u watch me?
Climbing up, falling down
In a European town
Everybody stares at Rastafarians (just look around)

I wandered everywhere, form the East Coast to LA
Even European cities
I wanna settle down with U today
And we can grow old, together
Let??Â™ s grow old together

European cities

Sometimes when I??Â™ m by myself and there??Â™ s
no one else
And ur still paranoid
Anybody else would leave him
But she didn??Â™ t want to feel that way
That way (yeah)
Jamaica hear my prayer

My love for u is turning blue
U know it??Â™ s turning baby

European cities
