Come on!

This a trip about a spoiled rich chick
She??'s got an Escalade and a million dollar ship
With the looks of a model and the manners of a slut
Yeah she dresses like a ho and she really loves to-
She??'s married to a billionaire, he??'s 67 years
He used to be in rock & roll, now he??'s just fat &
old
She wanted life the EZ way, now she hates the choice
she made
Until the day she snapped in the middle of a shopping
mall
Everybody knows (everybody knows)
And then she said

U got no soul UR fucking old
I hate rock & roll, rock & roll, rock this!
U got no soul UR fucking old
I hate rock & roll, rock & roll, rock this!
Rock & roll, rock & roll, I hate U

Yeah she parties all night at the hottest clubs in town
Yeah she??'s hoping that one day he??'ll be living
underground
And his lawyers and accountants and the money that
he??'s got
When everything is hers she??'ll really be superhot

Everybody knows (everybody knows)
And then she said

U got no soul UR fucking old
I hate rock & roll, rock & roll, rRock this!
U got no soul UR fucking old
I hate rock & roll, rock & roll, rock this!
Rock & roll, rock & roll baby, I hate U

She gotta groove yeah she??'s gotta lot to prove
yeah
She gotta groove yeah she??'s gotta lot to prove
yeah

She gotta groove yeah she??Â™ s gotta lot to prove
yeah
What U wanna
Someday, someday, someday

And then she said

U got no soul UR fucking old
I hate rock & roll, rock & roll, rock this!
U got no soul UR fucking old
I hate rock & roll, rock & roll, rock this!
Rock & roll, rock & roll (how do I look?)
Rock & roll, rock & roll (how do I look?)
I hate U
