Listen up, a message to the industry

Before u sign ur name on the dotted line, U better read
the fine print ???cause it??Â™ s full of lies
They just wanna get a squeeze and they??Â™ ll suck u
dry, Then they??Â™ ll throw u away, yeah just like a
French fry
If u call it art I??Â™ ll shove my finger down my throat
All they want is cash money baby more than u can
count
They can promise u the world or a big budget video,
U??Â™ ll be paying through the nose like the contract
says

LET??Â™ S GIVE THE MONEY TO THE RECORD COMPANY
RIGHT NOW, COME ON!

U need a demographic image get in touch with the kids
Or an underground buzz that takes u over the biz
Gotta credit card the media and buy ???em their drinks
U better listen to ur lawyer if u wanna score a hit
Wow
They said we really love ur band, can we change it
around?
U should be like all the other groups, copy off their
sound
Me never get excited when them laid out da plan
So we told ???em all to fuck themselves and shove it up
their ass!

LET??Â™ S GIVE THE MONEY TO THE RECORD COMPANY
IF U DOWNLOAD FILES THEY??Â™ ll SEND U TO JAIL

And if ur white, if ur black, if ur yellow, if ur brown
Pick ur song and make ???em proud, turn it up and play
it LOUD
And if u wanna reach the crowd, U gotta let ???em
know just who u are
So tell the truth and let ???em have it NOW

RIGHT NOW ??Â“ come on baby do it to me - NOW

They??Â™ re gonna, gonna find u
They??Â™ re gonna find u, they??Â™ re gonna lock u
away

If ur in it for the money u may never succeed
But if u wanna have some fun that??Â™ s all the
u??Â™ ll need
When the radio sucks and the bands are all the same
Who do u think they??Â™ re gonna blame?

LET??Â™ S GIVE THE MONEY TO THE RECORD COMPANY
