Last July our time was up
Leaving home before I??Â™ m stuck
Separated by 3,000 miles or more
I hate 2 see U feel so sad
I wish I didn??Â™ t have 2 go
Don??Â™ t go, baby don??Â™ t go
Baby don??Â™ t U go

Away, don??Â™ t U go away
Don??Â™ t get up on that plane
That was the year
The summer flew right by
Stay, Won??Â™ t U stay?
I??Â™ ll never be the same
That was the year
The year the summer almost died

They say that life is 1 cruel joke
UR screwed until UR dead and broke
The dictionary has pix under loser
We were the best thing that I know
And now we??Â™ re breaking up don??Â™ t go, baby
don??Â™ t go
Baby don??Â™ t U go

I swear I really tried, I almost lost my sanity, even my
family
And everybody knows, we??Â™ re amateurs not pros
And now it??Â™ s time 2 go
