Everybody's selling something
Wanting more than what they have and
Haven't got the sight of sense
To sense what's really going round
And no one wants to tell the truth
We'll fight to know the rules
That tell us to be good enough

And no one knows
that you and I,
baby we see eye to eye

Everybody's selling something
But you cant buy satisfy
Everybody's on this ride

And no one knows
That you and I
Baby, we see eye to eye
I'm not surprised that
no one knows
That you and I
Baby, we see eye to eye
I'm not surprised

Its a carnival of winners, fighters,
losers, weepers, on and on and on
And liars try to keep us scared
till we don't care what side were on

And no one knows
That you and I
Baby, we see eye to eye
I'm not surprised that
No one knows
That you and I
Baby, we see eye to eye

Everybody's selling something
Wanting more than what they have and
Haven't got the sight of sense
