Girl, you got me tripping on sunshine
God knows you just made my day
Since you came around
I just can't slow down
I wanna see you walkin' my way

Girl you got me thinking 'bout diamonds
And getting down on one knee, maybe two
People may stop and stare
But I don't even care
Just as long as I'm with you

You got me running on sunshine
Ain't no clouds getting in my way
I must be running on sunshine
Ain't no rain getting in my way

Girl you got me actin' real crazy
Chasin' tail like some old dog
Oh, I got this rocket
In my front left pocket
Ready to explode like a bomb

Something tells me your name is Lucy
'Cause everything keeps shaking around
We can comp a room
Make these walls go boom
We can do this right here and now, now, now

Running on sunshine
Ain't no clouds getting in my way
I must be running on sunshine
Ain't no rain getting in my way

Hey, just get over yourself
This ain't to good for your health
Hey, just get over yourself

Hey, just get over yourself
This ain't to good for your health
Hey, just get over yourself, self (x8)

Girl, you got me tripping on sunshine
God knows you just made my day
Since you came around
I just can't slow down
I wanna see you walkin' my way

Girl you got me thinking 'bout diamonds
And getting down on one knee, maybe two
People may stop and stare
But I don't even care
Just as long as I'm with you

You got me running on sunshine
Ain't no clouds getting in my way
I must be running on sunshine
Ain't no rain getting in my way

You got me running on sunshine
Ain't no clouds getting in my way
I must be running on sunshine
Ain't no rain getting in my way

No doubt
(You got me)
No doubt about it
(Tripping in the sunshine)
And there ain't no clouds in my sky

No doubt
(You got me)
No doubt about it
(Tripping in the sunshine)
And there ain't no clouds in my sky

No doubt
(Runnin', runnin', runnin')
No doubt about it
(Ain't no clouds gonna make my day, no, no)
And there ain't no clouds in my sky

No doubt
(Ain't no clouds gonna change my day)
No doubt about it
(Got me runnin')
And there ain't no clouds in my sky

No doubt
(You got me runnin')
No doubt about it
(In the sun)

And there ain't no clouds in my sky

No doubt

(Ain't no cloud gonna make my day)

No doubt about it

And there ain't no clouds in my sky
