Once, once in a life time,  
Mabye you'll find someone like you, mabye once...  
Once upon a dream, I loved a man... loved him with all  
of my soul  
He was the one, once upon a dream...

I may live over and over again,  
Over and over again, but I wont find another you,  
You are the one, your the only one for me, I'd search  
Forever your my destiny, you are the one...

I'll keep seeing careless smile, keep feeling your touch  
upon my skin,  
Keep holding you close, 'til the night closes in, I'll never  
let you go...

When the moon beams up from the clouds, I feel your  
presence through the noise  
In the crowds, I'll swear that I'll find you, be there to  
remind you,  
This much I know...

I may live over and over again,  
Over and over again, but I wont find another you,  
You are the one, your the only one for me, I'd search  
Forever your my destiny, you are the one...

You may take a hundred side, another years, but a  
loved that's ment to be  
Never disappears, I'll search through lifetimes 'til the  
end, to find  
My lover and my friend, to find my home... you're my  
home...

I will reach across the hours, swim courses through  
each day, find the steepest,  
Highest mountain, if that's the price I have to pay, I'm  
giving it all up for you,  
It's all that matters now, for my wishes come true, I'm  
gonna find you  
Someway somehow...

No... nothing else matters, nothing at all, I may be  
tested and challenged,  
But I know I'll never fall, I'm on a mission, a journey,  
and it's not over yet,  
I may not remember heaven, but you I'll never forget,  
you're my home...  
You're my home...
