Emotion disering to be free
Deep and still I wanna be, it's true, so true
A feeling is stealing up on me
Filling me up with a fire, it's true, so true

(Chorus)
The kind of light I'm letting in
Makes me breathe
The kind of light I'm letting in
Makes me breathe

A change in a way I wanna be
Deep in my heart a part of me, it's true, so true
It's true

(chorus)

Lonlengue oya moinda
Ekopessa bomoi
Lonlengue oya moinda
Ekopessa ngai bomoi
