SARAH

HE'S THE ONE

He was born in a land far away

But fate decided to bring him my way

I was struck down, I was blind

I can't get him out of my mind

He's the one

He's the love

In every little thing

He's the light of my life

He's the one

He's my heart

He's my soul

Oh I just know, he's the one

His life is full of mysterious ways

I love how he moves

How he dances with grace

Warm and bright a star in the night

I want him to stay by my side

He's the one

He's the love

In every little thing

He's the light of my life

He's the one

He's my heart

He's my soul

And I just know

I want to be with him till I die

I never felt this before and that is why

He's the one

He's the love

In every little thing

He's the light of my life

He's the one

He's the love

In every little thing

He's the light of my life
