Looks like it's easier sometimes  
To run and hide  
What does it take to compromise  
Should hearts collide  
You don't want to but need to  
It's hurtin' either way  
You can't fight it or hide it  
Or stand it another day  
You're just waitin' for someone  
Or something there  
To keep your head from spinnin'  
Round and round and round  
Never touching ground  
But there's one thing on your mind  
Why do I always turn you down  
And walk away  
When I can't stand myself  
For leading you astray  
I don't want it but need it  
It's hurtin' either way  
I can't fight it or hide it  
Or stand it another day  
I'm just waitin'  
For someone or something there  
To keep my head from turnin'  
Round and round and round  
Never touching ground  
Round and round and round  
But there's one thing on my mind  
I want love...  
It's just that one thing I need  
I want love to keep me from turnin'  
Round and round and round  
Never touching ground  
But there's one thing on my mind  
I want love, oh yeah  
Round and round and round  
And never  
Never touching ground  
And there's one thing  
One thing on my mind  
I want love, I want love, I want love
