The stars are shining in the sky,
I have a dream about you and I,
Do you wanna hear my wish?
My biggest dream is to get a kiss.
Lights are shining in your eyes,
The snow is falling every night,
Santa can I have a wish this year?
Then I've got nothing left to fear.
I wanna wish,
For a kiss,
'Cause in this cold,
It will warm my soul,
I wanna wish,
For a kiss,
From the girl I love,
My wish won't stop.

A snowman with a tiny smile,
It's like he knows about you and I,
In his ear I try to whisper,
I hope to get a kiss from her,
Holding hands with my baby,
You are my own Christmas lady,
Underneath the mistletoe we belong,
Slowly dancing to a Christmas song.
I wanna wish,
For a kiss,
'Cause in this night,
A shooting star is bright,
I wanna wish,
For a kiss,
From the girl I know,
My heart will show.
When you are gone, you're the one I miss,
Why giving me a present, you are the gift,
Finally having some time together,
This Christmas is the best thing ever!

I wanna wish,
For a kiss,
'Cause in this cold,
It will warm my soul,

I wanna wish,
For a kiss,
From the girl I love,
My wish won't stop.
