"No More"

No more must you be afraid
No more must you be in pain
No more must you be alone
'Cause He's on His feet to save you from all harm
Haven't you heard that you will never die
You're a thought without ending
Love's your companion
Moment eternal
You will never die
No more must you hide again
No more must you feel ashamed
'Cause He's on His way to make everything new
Jesus answered: You're right in saying I am the King
In fact for this reason I was born
And for this I came into the world to testify the truth
Everyone on the side of the truth listens to me
They flogged Him, put on Him a crown of thorns
They struck Him in the face they crucified Him
In Him is life and that life is the Light of men
