Whoa, can't you see that she's mine?
We've been together for a long, long time
And yet they're tryin' so very hard
To pull us apart

Well, we don't care what they say
We're gonna keep on lovin' this way
Well, if they break us up
You know it'll only break my heart

Don't you know I love her so?
And I'll never, never let her go
No matter what the people may say
Or try to do

'Cause can't you see that she's mine?
We've been together for a long, long time
And it'll stay that way
Because I know she loves me too

And people talk and try to break us up
When we know they don't understand
Well, I don't care what the people may say
I'm gonna keep on holdin' her hand

Can't you see that she's mine?
We've been together for a long, long time
And yet they're tryin' so very hard
To pull us apart

Well, we don't care what they say
We're gonna keep on lovin' this way
But if they break us up
You know it'll only break my heart

Don't you know I love her so?
And I'll never, never let her go
No matter what the people may say
Or try to do

'Cause, can't you see that she's mine?
We've been together for a long, long time

And it'll stay that way
Because I know she loves me too
And it'll stay that way
Because I know she loves me too
