As I write my letter today
Tears start falling from my eyes
I remember things we used to say
And the ties that bind our love

Only one thing I want to do
Come home, oh, yeah, come home
Long as I know I'm
Coming home to you
I'm coming home

Please remember while I'm away
I think of you night and day
Of the things, of the fun
While we were one

Only one thing I want to do
Come home, come home
Long as I know I'm
Coming home to you

I didn't think I'd ever be
Whoa, whoa, as bad as it's been
No, no, no, but now I'm
Coming home to give you a ring

As I write my letter today
Tears start falling from my eyes
I remember things we used to say
And the ties that bind our love

Only one thing I want to do
Come home, woah, woah
Yeah, come home
Long as I know I'm
Coming home to you

Only one thing I want to do
Come home, come home
Long as I know I'm
Coming home to you
