hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) Ahh! that's what you need
(hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) That's what you need

Can't you feel what I'm tryin' to do
I'm tryin' to get through to you
Won't you listen carefully
Tell me baby, whatcha here to see

(hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) Got-ta got-ta got-ta see
(hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) Ahh! that's what you need

Everything that I do
Never seem to get through to you
Keep your mind open, let me know
If you feel somethin' baby, mmm, let it show

(hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) Ahh! that's what you need
(hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) Got-ta got-ta got-ta

Really try hard, baby I know
Pretty soon it's gonna have to show
Concentration pays in the end
Then you and me, honey child, won't have to pretend,
no!

(hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) Ahh! that's what you need
(hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) Mmm, got to, got to

I'll tell you one more time baby

(hey-eh-eh-eh) Concentration baby
(hey-eh-eh-eh) Ahh! that's what you need
(hey-eh-eh-eh) Concentration baby

(hey-eh-eh-eh) That's what you need
