Oh, I only met you just two days ago

But you know that I love you more than anyone else

Now don't let me down (don't let me down)

No, don't let me down (don't let me down)

'Cause you know that I love you

So please don't let me down

Oh, I asked you for a date and you said OK

Baby, I'm just waitin' until that day

So don't let me down (don't let me down)

No, don't let me down (don't let me down)

'Cause you know that I love you

So please don't let me down

I said now, the great day came and I felt so glad

But there's something that could make me feel sad

Don't let me down (don't let me down)

Whoa, don't let me down (don't let me down)

'Cause you know that I love you

So please don't let me down

----- piano solo -----

Yeah, I arrive baby, I'm dead on time

Now don't let me down (don't let me down)

No-no, don't let me down (don't let me down)

'Cause you know that I love you

So please don't let me down

Ah, now I stood there baby

My heart nearly dropped

When I saw you walk 'round the corner

You sure looked sharp

You didn't let me down (didn't let me down)

No-no, you didn't let me down (didn't let me down)

Ah, you knew that I loved you

Baby, didn't let me down
