I said I was sorry
For making you cry
I said I was sorry
I wanted to die

Won't you forgive me
And say that everything's all right
I said I was sorry
What more can I say?

I saw when you left me
The tears in your eyes
How could you forgive me
For tellin' those lies?

Won't you forgive me
And say that everything's all right
I said I was sorry
What more can I say?

I know I'm to blame
Oh, if we could only start again

I said I was sorry
For making you cry
I said I was sorry
I wanted to die

Won't you forgive me
And say that everything's all right
I said I was sorry
What more can I say?

I know I'm to blame
Oh, if we could only start again

I said I was sorry
For making you cry
I said I was sorry
I wanted to die

Won't you forgive me

And say that everything's all right
I said I was sorry
What more can I say?
What more can I say?
What more can I say?
What more can I say?
