In nineteen days  
In nineteen days

Nineteen days  
Before I get to see  
My loving girl again

Nineteen days  
Been away too long  
I can't stand the pain

(CHORUS)  
I'm gonna be moving on home, baby  
I'm gonna be moving on home  
Moving on home, I hope  
I find you waiting there

Nineteen days  
Each town I go to  
Brings me nearer home

Nineteen days  
Been working too hard  
Every finger to the bone

(CHORUS)

In nineteen days

(CHORUS)

In nineteen days  
In nineteen days  
In nineteen days
