Well, sometimes I will  
Then again, I think I won't  
Whoa, sometimes I will  
Then again, I think I won't  
Sometimes I do  
Then again, I think I don't

Ah well, I looked at my watch  
And it was nine twenty-one  
We're at a rock and roll dance  
Having nothing but fun

And we rolled  
Oh, reeling and a-rocking  
We was reeling and a-rocking  
Rolling til the break of dawn

Ah well, I looked at my watch  
And it was nine thirty-two  
There's nothing I'd rather do  
Than dance with you

(CHORUS)

And we rolled  
Oh, reeling and a-rocking  
I was reeling and a-rocking  
Rolling til the break of dawn

Ah well, I looked at my watch  
And it was nine forty-three  
And at the time I spent  
She spent with me

(CHORUS)

Ah well, I looked at my watch  
And it was nine fifty-four  
I said, dance, ballerina girl  
Go, go, go

(CHORUS)

Ah well, I looked at my watch  
And it was ten twenty-six  
I gotta keep on dancing  
Til I get my kicks

(CHORUS)

Ah well, I looked at my watch  
And it was ten o-five  
And, man, I didn't know  
If I was dead or alive

(CHORUS)

I looked at my watch  
And it was ten twenty-nine  
I had to hold her hand  
She was still holding mine

And we rolled  
Reeling and a-rocking  
We was reeling and a-rocking  
Rolling til the break of dawn

I looked at my watch  
It took me by surprise  
I was dancing with a woman  
That was twice my size

We rolled  
Reeling and a-rocking  
Well, we was reeling and a-rocking  
Rolling til the break of dawn

I looked at my watch  
And it was time to go  
The band leader said  
We ain't playing no more

(CHORUS)
