I'm thinkin' of you baby every day and night  
I'm thinkin' of you baby every day and night  
Now I don't want no other lover  
'Cause I, I know you're gonna treat me right  
You're gonna treat me right

I'm thinkin' of you baby and all the things that you said  
I'm thinkin' of you baby and all the things that you said  
Oh when your mama and papa told me  
Well, it nearly drove me outta my head  
Wow, it drove me outta my head, now

The things we used to do  
And all the fun that we had  
It makes me feel mad  
To think you used to love me  
And now you're makin' me feel sad  
I'm feeling so bad  
I'm thinkin' of you baby every day and night  
I'm thinkin' of you baby every day and night  
Now I don't want no other lover  
'Cause I, I know you're gonna treat me right  
You're gonna treat me right

----- solo -----

Well I'm thinkin' of you baby every day and night  
I said I'm thinkin' of you baby every day and night  
Now I don't want no other lover  
'Cause I, I know you're gonna treat me right  
You're gonna treat me right, oh!
