Ebbene? ... nandr lontana,
Come va leco della pia camana,
L, fra la neve bianca;
L, fra le nubi dor;
L, dov la speranza, la speranza
Il rimpianto, il rimpianto, e il dolor!
Well? I will go far,
As the echo of the devout bell goes,
Here, between the snow white woman;
Here, between clouds of or;
Here, dov it is the hope, the hope
The regret, the regret, and the dolor!

Ebbene? ... nandr lontana,
L, dov la speranza, la speranza
Il rimpianto
Sola e lontana!
Well? n I will go far,
Here, dov it is the hope, the hope
The regret
Single and far!

Two men collide
When two men collide, when two men collide
Its a question of honour
Two men collide
When two men collide, when two men collide
Its a question of honour
Two men collide
When two men collide, when two men collide

If you win or you lose, it's a question of honour
And the way that you choose, it's a question of honour

I can't tell what's wrong or right
If black is white or day is night
But I know when two men collide
Its a question of honour

If you win or you lose, it's a question of honour
And the way that you choose, it's a question of honour
If you win or you lose, it's a question of honour

And the way that you choose, it's a question of honour

I can't tell what's wrong or right
If black is white or day is night
I know when two men collide
Its a question of honour

Ebbene? ... nandr lontana,
Come leco della pia campana,
L, fra la neve bianca;
L, fra le nubi dor;
Nandr, nandr sola e lontana!
E fra le nubi dor!
Well? n I will go far,
Like the echo of the devout bell,
Here, between the snow white woman;
Here, between clouds of or;
N I will go, n I will go single and far!
And between clouds of or!
