(friends for life)  
Sarah  
I don't have to say  
A word to you  
You seem to know  
Whatever mood  
Im going through  
Feels as though  
Ive known you forever

Jos  
You  
Can look into my eyes and see  
The way I feel  
And how  
The world is treating me  
Maybe I have known you forever

Both  
Amigos para siempre  
Means you'll always be my friend  
Amics per sempre  
Means a love that cannot end  
Friends for life  
Not just a summer or a spring  
Amigos para siempre

I feel you near me  
Even when we are apart  
Just knowing you are in this world  
Can warm my heart  
Friends for life  
Not just a summer or a spring  
Amigos para siempre

Sarah  
We share memories  
I wont forget  
And well share more,  
My friend,  
We haven't started yet  
Something happens

When were together

Jos  
When  
I look at you  
I wonder why  
There has to come  
A time when we must say goodbye  
Im alive when we are together

Both  
Amigos para siempre  
Means you'll always be my friend  
Amics per sempre  
Means a love that cannot end  
Friends for life  
Not just a summer or a spring  
Amigos para siempre

I feel you near me  
Even when we are apart  
Just knowing you are in this world  
Can warm my heart  
Friends for life  
Not just a summer or a spring  
Amigos para siempre

Jos  
When  
I look at you  
I wonder why  
There has to come  
A time when we must say goodbye

Both  
Im alive when we are together

Amigos para siempre  
Means you'll always be my friend  
Amics per sempre  
Means a love that cannot end  
Friends for life  
Not just a summer or a spring  
Amigos para siempre

I feel you near me  
Even when we are apart  
Just knowing you are in this world  
Can warm my heart  
Friends for life  
Not just a summer or a spring

Amigos para siempre

Amigos para siempre  
Means you'll always be my friend  
Amics per sempre  
Means a love that cannot end  
Friends for life  
Not just a summer or a spring  
Amigos para siempre  
Amigos para siempre
