Strade son' cambiate.  
Faccie son' diverse.  
Era la mia città .  
Non la conosco piÃ¹.  
La ora io sono solo un' estranea  
Senza patria.

I remember you were there.  
Any one emotion.  
Any true devotion.  
Anytime, anywhere.

Case son' cambiate.  
Voci son' diverse.  
Era la mia città .  
Non la conosco piÃ¹.  
La ora io sono solo un' estranea  
Senza patria.

I remember you were there.  
Any one emotion.  
Any true devotion.  
Anytime, anywhere.

Tanti, anni son' passati.  
Vite son' cambiate.  
Era la mia città .  
Non la conosco piÃ¹.  
E ora io sono solo un' estranea  
Senza patria.

*[English translation:]*

Roads have changed  
Faces are different  
It was my city  
I do not know it anymore  
Now I'm just a stranger without native land

I remember you were there  
Any one emotion  
Any true devotion  
Anytime, anywhere

Houses have changed  
Vocies have various  
It was my city  
I do not know it anymore  
Now I'm just a stranger without native land

I remember you were there  
Any one emotion  
Any true devotion  
Anytime, anywhere

Many years have passed  
Lives have changed  
It was my city  
I do not know it anymore  
And I'm just a stranger without native land
