Sing, sing  
Sing the song  
They sang  
With us  
When they  
Sailed away  
Bring, bring  
Bring them  
Back again  
To these  
Lonely shores  
On a day

We'll be here  
Awaiting  
Their arrival  
How that moment's  
Gonna shine  
May they ring then  
In our hearts  
That jubilant bells  
"Aul Lang Syne"

Sing, sing, sing  
The sing of sirens  
If that is  
What it takes  
Bring, bring  
Bring them  
Back again  
To to each  
Lonely heart  
That aches

(2x):  
I'll be first  
To know  
Of your arrival  
I'll be first  
To pur the wine  
May they ring  
Then in our hearts

The Jubilant bells  
Of "Aul Lang Syne"

Sing, sing, sing  
A song of sadness  
That they are  
So long gone  
Bring, bring, bring  
A ray hope  
And the courage  
To go on

(2x):  
We'll be here  
Awaiting  
Their arrival  
How that moment's  
Gonna shine  
May they ring  
Then in our hearts  
That Jubilant bells  
Of "Auld Lang Syne"

Sing, sing, sing  
A song  
They sang with us  
When they sailed  
The away
