Under the surface so crystal clear  
Everyone was really tense waiting down there  
He had his own world just like I had mine  
We'll go separate ways till the next time

There are no words to say  
(There are no words to say)  
As my friend swims away  
(As my friend swims away)

Captain Nemo said, "Okay"  
(Five, four, three, two, one)  
Then I raised my hand and waved

Captain Nemo went away  
(Love me when I'm gone)  
Left me all alone, Nemo's going home

And as I watched him, police boats approached  
An alien force haunting us like ghosts  
Wish I could stay here and play for a while  
But I must be on my way the warmest of smiles

Then he dived into waves  
Among the other whales

Captain Nemo said, "Okay"  
(Five, four, three, two, one)  
Then I raised my hand and waved

Captain Nemo went away  
(Love me when I'm gone)  
Left me all alone, Nemo's going home

Captain Nemo said, "Okay"  
(Five, four, three, two, one)  
Then I raised my hand and waved

Captain Nemo went away  
(Love me when I'm gone)  
Left me all alone, Nemo's going home

Captain Nemo said, "Okay"  
(Five, four, three, two, one)  
Then I raised my hand and waved

Captain Nemo went away  
(Love me when I'm gone)  
Left me all alone, Nemo's going home

Captain Nemo said, "Okay"  
(Five, four, three, two, one)  
Then I raised my hand and waved

Captain Nemo went away  
(Love me when I'm gone)  
Left me all alone, Nemo's going home
